Office Hours:

Monday-Thursday 4:30p-8:30p

These are the hours that office staff is available to take payments, assist with scheduling and answer questions.

Enrollment Fee & Annual Membership

We charge an enrollment fee to participate in classes, teams and private lessons. Paying this enrollment fee allows members benefits of attending extra events, clinics and open gyms. Enrollment and Membership fees are non refundable and cannot be transferred to other family members. Enrollment fees are due upon initial sign up and membership fees are required to be renewed on the anniversary of sign up date each year.

Annual Membership Dues

1 member	\$40
2 members	\$50
3+ members	\$60

Make-Up Classes & Schedule Changes

Students that miss a regular scheduled core class are allowed to make up the missed class. To keep ratios low, we ask that only one make up be used monthly. Consistent absences can request a schedule revision. Make up classes can be scheduled in person at the front desk, through our website or by texting our office. If a schedule change is needed, you can change class day/time up to three times within a calendar year.

Withdrawal Policy

We offer OPEN ENROLLMENT which means you can begin class at any time. In order to keep class ratios low, while keeping our classes full, we require a 30 day written notice if you need to remove your child from a class roster and stop billing. Fees & late fees will accrue until withdrawal notice is received. Clients on auto draft will be removed after a full 30 day period. You may notify the desk staff in person or email a withdrawal notice. Facebook messages or verbal messages to staff are not acceptable methods.

TUITION

Tuition is calculated based on the number of classes possible over the course of the calendar year. Some months have 5 weeks and we don't upcharge, and some months may have 3 weeks (due to holiday closing) and we do not prorate. In the event the gym has to be closed due to emergency, or incimate weather, you will be allowed to make up missed classes to ensure your student received 4 classes that month. (See our make up policy).

Upon initial sign up, if your start date falls in the middle of the month, the tuition will be prorated for that first month.

Tuition fees are due to our office by the 5th of each month. Tuition can be paid online, using our make a payment tab or in person at the desk during office hours. In the event we are scheduled to be closed on the 5th, payments will need to be sent online to ensure timely arrival and avoid late charges. We can also set up automatic draft.

Tuition received after the 5th will incur a \$20 late fee and any checks returned for insufficient funds will incur a \$25 NSF fee. There are NO REFUNDS offered for fees paid in advance. We reserve the right to refuse services to anyone due to non payment or consistent delinquent payments to allow for room in class for paying families.

Core Class Tuition Rates:

**Discounts are given to families with more than one enrolled and students taking multiple core classes. A FREE MONTH discount is offered for families that pay for 3 months at a time of core classes.

NO DOUBLE DISCOUNTS

How to Register

Schedule a free trial class on our website! Visit extremegymwinder.com and click schedule a class. Choose a class from our schedule and send us your child's information. We will contact you with a date and time for your free class. After the trial, stop back by the desk and our office staff will get you set up to attend class each week!

Class Placement & Mobility

All students new to Extreme begin with a free trial class to evaluate ability. A class type will be suggested where your child will begin to learn level appropriate skills. To ensure students remain challenged, we have mobility testing twice per year where students receive skills sheet checklists as a record of their accomplishments. Students receiving credit on a majority of skills in their current class level will be promoted.

Medicines & Emergencies

Our staff is First Aid and CPR certified and will follow all safety measures during instructional times. In the event of an emergency, we will follow systems in place to provide treatment needed to injured athletes. Extreme staff is not permitted to administer medicine (Advil, Tylenol or other medicines) to children without a parent present. Our front office staff can assist with ice application, and provide bandaids.

Closing Dates 2022-2023

These are the dates the gym will be closed for Holidays.
September 5: Labor Day
October 10-14: Fall Break
November 21-25: Thanksgiving
December 22-Jan 2: Christmas
April 1-9: Spring Break

Ring the BELL

We love to celebrate when athletes gain new skills on the floor! Once a skills is masters, we allow athletes to ring a celebration bell located by the main floor and demonstrate their new skills for everyone!

After Class Rewards

We love to reward our students for good behavior and effort during training sessions! Often coaches will reward students with stamps and stickers or a small treat around holiday times! Summer time and training on hot days mean popsicles after practice!

Staff & Communication

Extreme staff members can assist you with questions regarding your athlete and her progress, offer drills and at home exercises and work with you to keep your child on track! In the event your child's coach is absent, a substitute instructor will lead the class following a lesson plan from the main coach to see that the class continues to learn and progress. Questions regarding accounts, payments, make up classes, should be directed to the front office staff.
